That's fine. I will let the attorney know that. When should he expect the call?

Will do. By the way, Guneet only knows you as Sam [REDACTED].

Hello Sam,

The alternative to couriering the evidence and your affidavit of testimony to Geneva is to simply get your information to a trusted attorney or a legal official who can verify your identity and your documents. Then your attorney must contact my attorney Guneet Chaudhary on his Indian phone number straight away at +91-9888-100225 (cell) or +91-172-2668469 (Office) and arrange for the information to be verified by the court. You must do this NOW, as my great concern is compromising your identity and location before you and your family are secure. Also we must officially confirm to the court that we have the evidence verified and secured by Wednesday in Geneva. Please get your information to a trusted attorney right away and have him/her make the call to Guneet. At least begin the process and verify your effort through your attorney and we will get an extension of time.

Sarah
