

## **Clinton Foundation CIA Covert Corruption - Lord of the Crime Rings!**

So, finally the challenge of honest investigative reporting has been taken up in New York. Charles Ortel, an investigative journalist specialising in financial fraud, has been investigating the Clintons and their Foundation for the past several years. For Ortel, Harmon Wilfred's knowledge of the 'coincidental' setting up of the Clinton Foundation at the same time a CIA/Clinton cartel opened a multi-billion dollar stream of covert funding, explains much of subsequent events.

By popular demand, **Jason Goodman** of "[Crowd Source the Truth/Truth Leaks](#)" has hosted a YouTube interview "[Lord of the Crime Rings](#)" Sunday with **Charles Ortel**, interviewing CIA whistle blower, Harmon Wilfred. *(click link or picture below for YouTube interview)*

As reported in multiple previous press releases, Harmon Wilfred, a CIA whistle blower in possession of evidence and testimony against Bill and Hillary Clinton that should have had significant influence on NZ foreign policy, has been living in New Zealand with his wife Carolyn Dare Wilfred since 2001. He has been stateless, without travel documents and unable to leave the country since his NZ request for political asylum was rejected in 2006.

In September 2015, Carolyn, with the full prior-knowledge of Immigration New Zealand (INZ), left NZ to visit her daughter in Canada. Without advance warning and immediately upon her departure, INZ issued an all-ports ban on her re-entry, even disallowing her to visit her husband; in-effect permanently separating this couple who are in their sixties, and who have been married for 20 years. They have been forcibly and cruelly parted now for 2 years, 5 months...and counting.

In 2011, immediately following a summit between NZ Prime Minister John Key and US Secretary of State Hillary Clinton, Harmon was issued with an unenforceable deportation order. On February 7, 2018 (with a new government in power), INZ rescinded the deportation order. However, INZ continues to insist that Carolyn remain in exile; and even though Harmon is stateless with no travel documents, he should leave New Zealand immediately and attempt an undocumented and unlawful entry into another country.

Within a few hours, Ortel's explosive interview received over forty thousand views and counting. Despite the complimentary things Ortel had to say about New Zealand's new Prime Minister, the facts displayed could well prove extremely embarrassing for New Zealand. This broadcast should at least shame the negligent and/or gutless NZ media, as well as the government.

Harmon says, "The information provided in the interview and on my documentary website [www.luminadiem.com](http://www.luminadiem.com) is just the tip of the iceberg." His more sensitive evidence cannot be publicly released due to national security. Harmon is adamant that President Trump is the only person in the US government to whom he will trust to release the rest of his evidence... in person.
