Hi Drew,

Please see the attached documents also listed below:

- [“Notice of Appeal”](#) for my case against my brothers, Bryan and Graham Dare/Serad et all; filed on Friday April 21, 2017
- [“CDW Visa Support Letter”](#) from my New Zealand attorney to NZ immigration as they have suspended my Canadian visitor visa waiver and turned down my application to visit my husband for the second time! The big question in all of this is...WHY?
- [“Press Release: Carolyn Dare Wilfred’s Good Friday crucifixion”](#) which followed the refusal for me to visit my husband who is stateless in NZ and cannot travel.
- [“Urgent Assistance from the Minister of Justice”](#). Emails to MP Honourable Amy Adams, the NZ Minister of Justice from my husband Harmon, pointing out that what they are doing to him and me is unlawful and by anybody’s definition, a violation of our human rights.

Of course, New Zealand would allow me back into the country with the required \$10M of my inheritance/Serad shares to invest...“If you ever want to see your husband again”...\$\$\$...Sounds like extortion/ransom to me!

I will never allow my brothers to break me financially and have their and my late father's scheme to separate me from my husband come true. Harmon and I will not quit until we are treated fairly, with respect, and reunited once again!!!

Kind Regards,

Carolyn
